

Consent Item 3:

Formal Purchase of Crew Projects Package 1 Water Line Pipe and Appurtenances

Background:

As stipulated in OWASA's Purchasing Policy, the Board of Directors has delegated to the Executive Director the authority to award contracts for purchase of supplies, material, and equipment solicited under formal bids (\$90,000 and above) and submit a summary report to the Board which identifies the name of the bidders, the amount of the bids and the award decision. There is not a requirement regarding a minimum number of bids to be received.

In April 2023, staff competitively bid the purchase of water pipe and appurtenances for the next phase of OWASA Crew Projects. Two responses were received, and the lowest responsive and responsible bid was \$212,908.53.

The award was made to bidder Core & Main.
